

# HITCH YOUR FORTUNE TO A STAR

James I. Morgan

1. So hitch your for - tune to a star, and luck may come to you.  
 2. The rains may come, the snows may fall, and winds sur - round the earth.

Some - day you'll find some - one to love, and live will start a - new.  
 But way up there, just hitch your fate, and you will know re - birth.
