

I NEED TO KNOW

James I. Morgan

1. O, there's a flame in-side of me. It burns my soul with my-ster - y.
2. I will not sleep 'till I am free. I will not laugh 'till I can see.

I wonder what's to come of me. I need to know, I want to know.
I wonder that my fate will be. I need to know, I want to know.
