James I. Morgan

1. The more we get to know God, the more we'll find in - ner peace.
 2. The more we get to love God, the more we'll find mean - ing true.
 3. The more we get to feel God, the more we'll love each oth - er.
 4. The more we get to find God, the more our troub - les will cease.
 5. The more we get to serve God, the more we'll feel heal - ing grace.

For God is beau - ty and God is love, and God is with us each day.
 For God is pow - er and God is strength, and God will show us the way.
 For God is glor - y and God is pomp, and God is with us each day.
 For God brings com - fort and God brings peace, and God will show us the way.
 2 For God is giv - ing and God is life, and God is with us each day.
