

HERE I AM, SEND ME

James I. Morgan

1. Here am I, send me. Let me serve, free - ly.
 2. Let the winds blow free. I've just got to be.
 3. Help me stand up straight. Let me find my fate.

2
 For I love God, and I want to laud Him.
 I can find world, hope, in with the dawn of each day.
 2 Let the world turn, with God's love at its core.

3
 Let my feet trod, round the world, rim to rim.
 For I can cope, I am lord of the way.
 3 May we all learn, now God's will gives us more.
