

FROM THE CHILD OF BETHLEHEM

James I. Morgan

1. From the child of Beth - le - hem, comes a mess - age dear:
 2. Un - to us a child is born, hope for all the years.
 3. May his star light up the world, serve us as our guide.

4 Love the world and all with - in. It's so ver - y clear.
 Let him heal the hurts we feel. Let him soothe our fears.
 4 May we know that he is there, al - ways by our side.

Refrain
 8 Let his love flow out, ev - ery - where a - bout: the love the Child has brought.

14 Let his love flow out, ev - ery - where a - bout: the love the Child has brought.
