

# LET US CRY HIS MESSAGE ALOUD

James I. Morgan

1. Let us cry his mes - sage a - loud, in a man - ner ex - ceed - ing - ly proud.  
2. Let us bring the sun from a cloud. Let us stand up so high in the crowd.

2. Let the songs that we sing, let the bells that we ring, bring out the blos - soms of spring.  
2. Let the ver - ses we write, let the trials that we fight, take love up to a new height.
