

# WITHOUT YOU

James I. Morgan

1. With - out you, I am noth - ing at all.  
 2. With - out you, I'm a - sea and a - drift.  
 3. With - out you, I'm a slave to my woes.  
 4. With - out you, I've no pur - pose or plan.  
 5. With - out you, cha - ot - ic my - ster - y.  
 6. With - out you, I am lost in the dark.  
 7. Lord Je - sus, you're the hope of my life.

2  
 But with you, I feel ev - er so tall.  
 But with you, I have love and a lift.  
 But with you, I have peace and re - pose.  
 But with you, I have joy that is grand.  
 Be - side you, pat - tern and har - mo - ny  
 But with you, I can find a new spark.  
 2 With your help, I can mas - ter each strive.

4  
 With - out you, it's my back to the wall.  
 With - out you, its a bur - den to shift.  
 With - out you, seem all the doors to close.  
 With - out you, I have no - where to stand.  
 With - out you, I am stuck in a tree.  
 With - out you, I have no place to park.  
 4 I love you, you've made liv - ing worth - while.

WITHOUT YOU

6

But with you, I have some - one to call.  
But with you, I can smooth an - y rift.  
But with you, I can stand on my toes.  
But with you, I just know that I can.  
And with you, I'm as free as can be.  
But with you, I can fly as a lark.  
6 With you near, I can live on in style.
