

I NEED TO HEAR THE SONG

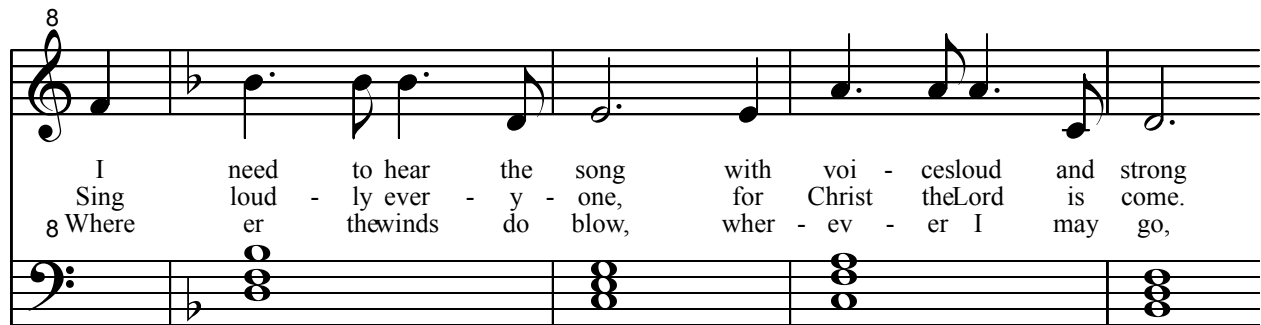

James I. Morgan

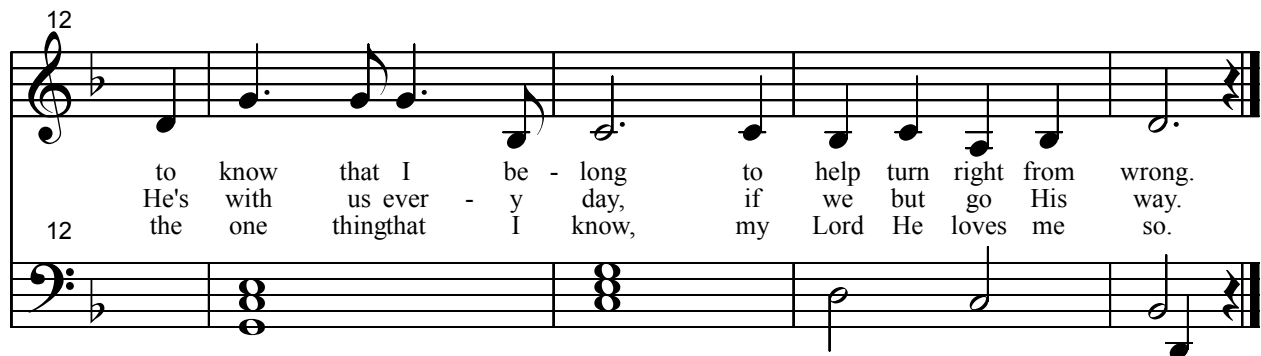

When things are go - ing wrong, and I've lost that spe - cial touch.
It soothes and calms my soul, with a mes - sage plain and clear.
With Christ to lead the way, there's a mel - o - dy to play.

There is one lit - tle thing, that means so ver - y much.
The lyr - ics warm and sweet, is one thing I hold dear.
He makes my live com - plete, just lis - ten to the beat.

I need to hear the song with voi - ces loud and strong.
Sing loud - ly ever - y - one, for Christ the Lord is come.
Where'er the winds do blow, wher - ev - er I may go,

to know that I be - long to help turn right from wrong.
He's with us ever - y day, if we but go His way.
the one thing that I know, my Lord He loves me so.
