

MY MIND AND MY BODY

Psalm 73:2

James I. Morgan

My mind and my bod - y may be weak.
I may not be al - ways at my peak.

I may not do ever - y - thing I seek.
I may not know just the things to speak.

But with strength from the Lord,
But with ever - - - y new chord,

and be each - lief song in my - self,
in each song that I sing,

I work to bring beau - ty and peace.
there's al - ways a hope for re - lease.
