

# THERE IS A YEARNING

James I. Morgan

There is a yearn-ing, a cry-ing year-ning, to be at peace with God and man.

4 And with the learn - ing to be dis - cern-ing, let there be hope through-out the land.

8 Jus - tice and free-dom, these are our dreams. Trust and for - give-ness, our God re-deems.

12 Purpose and mean-ing, joy ev - er - more, substance and shel - ter, we know the score.
