

LET ME SING THE SONG OF JESUS

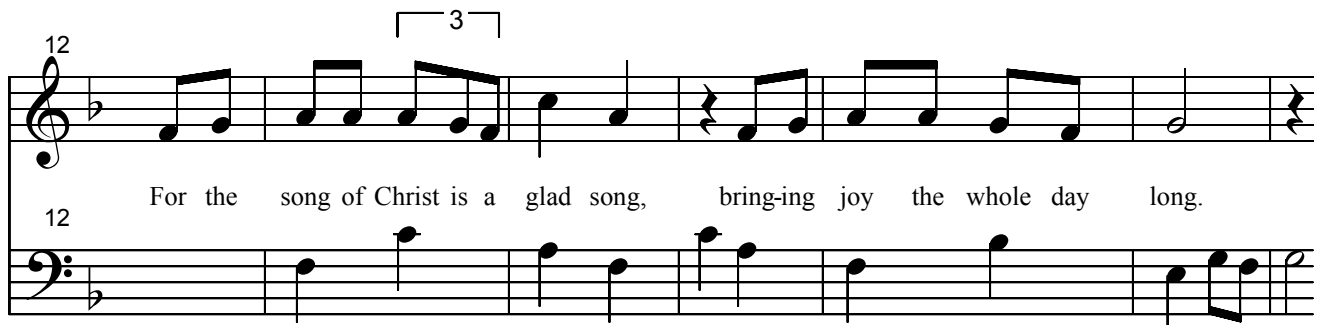

James I. Morgan

Let me sing the song of Je - sus, as I wend my way through life.

Let me sound his migh-ty chor - us, seek-ing shel - ter from the strife.

For the song of Christ is a glad song, bring-ing joy the whole day long.

Let me sing the song of Je - sus. He's my sa - vior, strength, and shield.
