James I. Morgan

Psalm 136

1. His love en - dures for - ev - er. He's made us what we are.  
 2. In ev - ery kind of wea - ther, he's al - ways at our side.  
 3. In ways we deem as clev - er, he help us find our way.  
 4. His love en - dures for - ev - er, he leads us as we go,

4  
 And now in each en - deav - or with him we can go far.  
 As light as an - y fea - ther, he's grace flows free and wide.  
 Like birds that flock to - geth - er, he guides us when we stray.  
 4 Our faith we can not sev - er, these things I'll al - ways know.
