

# CHRIST HAS MADE US FREE

Galatians 5:1

James I. Morgan

1. Wherever I may go, there's one thing that I know.  
2. Escape the trap of sin. Find joy and peace within.

4 My Christ is there with me, it is so plain to see.  
4 Reach out for help above for Christ will give you love.

9 Christ has made us free. O Christ has made us free.

12 I sing and shout in sweet re-frain. Christ's life has been my richest gain.
