

O LET ME SING THIS SONG OF LOVE

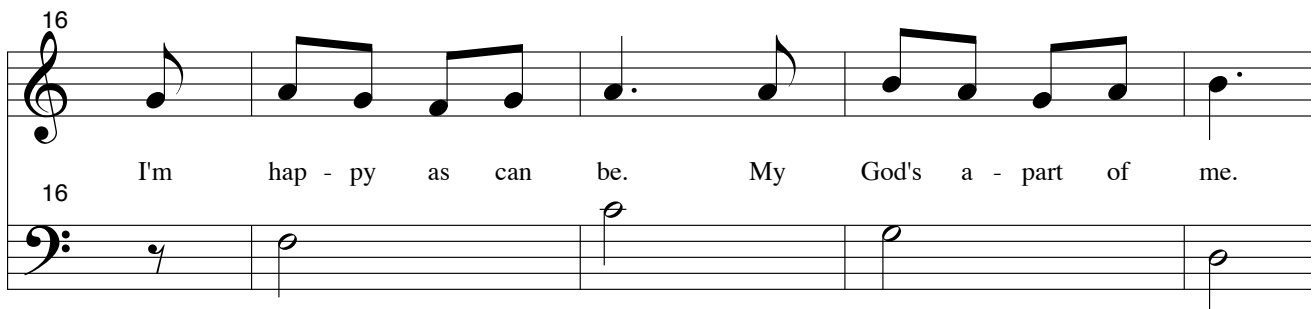

James I. Morgan

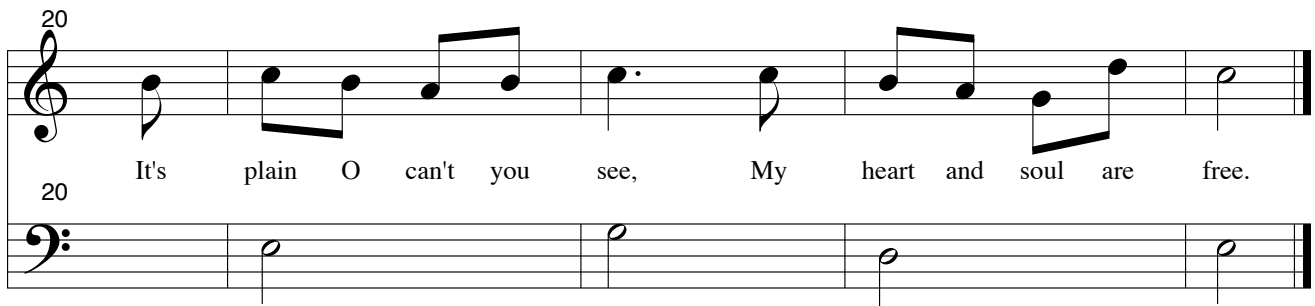

O let me sing this song of love brought down from God a - bove.

8 So ma - ny things I'm thank - ful for, there is no need to ask for more.

16 I'm hap - py as can be. My God's a - part of me.

20 It's plain O can't you see, My heart and soul are free.
