

# O LET ME SAY IN MY OWN WAY

James I. Morgan

1. O let me say in my own way of how my God has helped me.  
 2. O can't you see, he stays by me. I feel his mighty presence.

4 I live each day and come what may, I know he's there to guide me.  
 4 I know I'll be a - live and free. He's there at my in - sist - ence.
