

LOVE THAT KNOWS NO BOUNDARIES

James I. Morgan

The sun is shin-ing. The riv - er flow-ing. We're blessed with man - y sounds.

The road is wind-ing. The stars are glow-ing. Great en - er-gy a-bounds.

1. Love that knows no bound - aries. Faith as pure as snow.
2. Joy that lasts for - ev - er. Peace that stays in - tact.

Hope that springs e - ter - nal, when I turn to God.
Zeal that fuels my ac - tions, when I turn to God.
