

BE THAT AS IT MAY

James I. Morgan

1

1. Be that as I may. What more can I say.
 2. As I med - i - tate on how things are great,
 3. Let me re - ar - range, help to make a change,
 4. Let me spread the word, make sure it is heard

3

It's my luck - y day. Things have gone my way.
 let me praise my God on whose path I trod
 work for love and peace so that hate may cease.
 so that all will know, our God loves us so.
